Pizza (1/2 cooked not cut - can be frozen)	\$ as per menu		

*All food can be frozen as we always use fresh ingredients.
When re-heating ENSURE you reheat it rapidly to 60°C or hotter.*

*When thawing frozen food it's best to plan ahead
and thaw it in the refrigerator and then reheat as normal.*

*Pizza - preheat oven at top temperature and place
in oven on a tray for only 5 mins or until your desire.*
